| 2. | To receive declarations of interest.
There were no declarations of interests other than we all have an interest in the village. |
| 3. | New secretary, minutes taken
D Bruton had resigned due to ill health. The committee thanked her for the work she had carried out. SR to be asked however SK would make herself available if she declined. PK would help if required. Information from D Bruton will be passed on as soon as possible. Particularly important are the comments from the consultation. |
| 4. | Where are we now, what is the next step
A discussion occurred. PK thought the process was faltering and that it had been 9 months since the questionnaire. We seem to be going backwards others said that it was a long slow process. |
| 5. | Put information on the internet
PK had sent the Clerk information to be placed on the website. This had been done. |
| 6. | Meeting with Dr Richard Dales with a member of the NDP
This meeting has as yet not been arranged. DB was concerned that sites needed to be revisited for suitability. PK said that this had occurred initially in July 2017 (Bill Bloxham, (Sue Russell, Peter Kyles & Andrew Brown). It was agreed to contact Bill Bloxham and ask him to attend the next meeting. PK said he would if the committee required arrange a meeting. |
| 7. | Policies needed to complete, who does what is it us or Data Orchard
JH inferred that Data Orchard had been slow. PK said that it was this committee that had been slow. The evidence of time to produce the questionnaire and the analysis, he said would indicate this. |
| 8. | Grants, how far have we got ?
It is thought that grants are up to date. Unknown D Bruton to be contacted to find out where things stand.
Appoint a secretary. |
| 9. | Items for the next agenda <ul style="list-style-type: none">• Revisit the criteria for the land that has been made available. Does it meet the Core Strategy (RA1 & RA2) and the Village's Needs (Questionnaire Data).• Consultation comments to be made available to NDP members. |
