*In the Dilwyn Parish Plan survey published in March 2013, 51% of respondents felt there should be 'some new housing built but within strict limits', followed by 30% saying 'there should be some limit on new house building.'*

*In 2015 Herefordshire Council updated its minimum target for new housing in Dilwyn at 42. However this was for the whole of the planning period from 2011 to 2031. Allowing for planning consents already granted since 2011, we would still need to plan for a minimum of 27 new dwellings in the parish.*

*We therefore need to check whether the general views expressed in the parish plan survey still apply but also gather more detailed views to enable us to develop housing policies for our plan.*
